## Drop Dead!

by Billy Van Zandt & Jane Milmore  
A cast of has-been actors plan to revive their careers in "Drop Dead!," a potboiler murder mystery directed by "Wonder Child of the Broadway Stage" Victor Le Pewe (a psychotic eye twitching megalomaniac). But when the murders and mysteries exceed those in the script - these thespians must save the show and their careers as well as their lives!

March 23 – April 8

## Moon Over Buffalo

by Ken Ludwig  
Fading stars Charlotte and George Hay are on tour in Buffalo in 1953 with a repertory consisting of *Cyrano de Bergerac* (the revised, one nostril version) and Noel Coward's *Private Lives*, when they receive word that they might have one last shot at stardom: Frank Capra is coming to town to see their matinee. If he likes what he sees, he may cast them in his next movie. Unfortunately, everything that could go wrong does go wrong.

June 8 – June 24

## I Ought to Be in Pictures

by Neil Simon  
Herb, a Hollywood scriptwriter currently "at liberty" is surprised when his forgotten past reappears in the form of Libby, a teenage daughter who's trekked from Brooklyn with dreams of movie stardom. With Steffy, his sometime paramour at his side, Herb decides to take another stab at fatherhood and, hopefully this time, get it right.

On State Road, ¾ mile north of Street Road "inside" Neshaminy State Park in Bensalem, PA
